

DUNLOP. ORIGINAL EQUIPMENT ON TODAY'S PREMIER BRANDS.

Prestige, performance, passion. All are attributes associated with the Dunlop brand. Original Equipment fitments are key to that success. They are the proof that Dunlop is a premier product. They are the reason why consumers will come knocking on your door. With fitments on the most desired models from many of the world's major manufacturers, Dunlop is the right brand for luxury and performance car owners, light truck and sport utility vehicle owners—and those who aspire to be owners of those brands.

**IMPORTANT:
DUNLOP'S ORIGINAL EQUIPMENT WARRANTY.**

Dunlop dealers are seeing more replacement business than ever before from our growing list of Original Equipment fitments. To meet those needs, it's essential that you understand our Original Equipment warranty policy: If a tire is removed from service due to a condition covered by the warranty within the first 2/32" tread wear or 12 months from the date of vehicle purchase, the tire will be replaced free of charge. After that, a prorated credit is issued toward the purchase of a new tire.

This policy is designed to accommodate the new vehicle buyer and ensure a satisfied (and eventually, returning) Dunlop customer. Should a customer encounter extenuating circumstances, you can call the Dunlop Customer Assistance Center at 1-800-321-2136. The offices are open from 8:30 a.m. until 5:00 p.m. EST, Monday through Friday.
